

PROJECT PLANS

What's my current plan for this yarn?

Am I making this for any particular person or occasion?

What other materials do I need? Where am I storing what I have?

Is there anything else I'll wish I'd written down if I don't get to this project for a year?

Am I making this for any particular person or occasion?

What materials and yarn am I using? Where am I storing more?

Is there anything else I'll wish I'd written down if I ignore this project for a year?

YARN QUEST

The pattern I must make:

What is the weight, yardage, and type of yarn I must find?

What other materials do I need?

Is there anything else I want to remember about this quest?
(Colors, recipient, how it will be worn?)
